

I, A GIRL

The day I came in my Mother's womb
She was happy as well as calm
Everyone was happy and had celebration
Everywhere there was a positive situation

Some days passed and I was growing up
Thinking and loving and dreaming off
Coming to the new world and my family
Holding my Mom's hand very kindly

I don't know what happened
But realized my Mom was threatened
She was saying that's unfair
But the loud said we don't care

The loud told, go and check the foetus
We need a boy and have a status
I sensed , you were crying
Please Mom let me know what's happening

I cried and asked but Mom didn't replied
After some time , she whispered it's unsafe outside
She knew , I am a GIRL
But no one want a pearl

No one listen and went to the Hospital

And named me that I am a GIRL

My Mother cried but no one listen

Nobody wants a girl to mention

I cried and screamed

Let me come out and see the world

Let me see this beautiful Earth

Please don't kill me before my birth

My Mom cried and then whispered

My Baby , your life is very short

My Baby , you are a GIRL

But boy is treated as Diamond as well as Pearl

After naming the foetus

I came out of the uterus

Without any reason

I was frozen

The only was the reason

That I am the GIRL

But not a pearl

I was already frozen

Because , a GIRL can't carry Family Name

Tell me , whose this mistake and who should be Blame ?

What was my fault

What was my guilt

Not a doubt
It's society thought
That I'm a GIRL
Not a PEARL
